OFFICE OF LEGISLATIVE COUNSEL

Friday - 28 May 1971

1. (Confidential - JMM) Received a call from Richard Perle, on the staff of Senator Jackson's Subcommittee on National Security and International Operations, who told me of mysterious calls that Dorothy Fosdick, of the Subcommittee staff, (now on vacation) had received from someone identifying himself only as a member of the Russian Embassy staff. Perle said a few weeks ago this caller had called to warn that a Russian trawler fleet would soon be fishing in waters off the northwest coast of the U.S. and interfere with the local crab fishing. Shortly thereafter, this in fact happened. Perle

2. (Internal Use Only - JGO) Received a call from Miss Jane Schweiker, in the office of Senator Jack Miller (R., Iowa), who told me that she has received some interesting correspondence from employees of the Post Office Department who may be leaving the Department during the coming months. She suggested that if I cared to, she would make the correspondence available to me for review any time during the week of 7 June. I thanked Miss Schweiker for the call.

3. (Secret - GLC) Met with Ed Braswell, Senate Armed Services Committee staff, to firm up arrangements for our meeting with him on Tuesday afternoon for a briefing on Agency involvement in the drug problem in Southeast Asia. As a background piece I left with Braswell a copy of BNDD's reply to Representative Gubser with attachment.

I also left with Braswell a copy of our answers to the three questions posed by Messrs. Blandford and Slatinshek, House Armed Services Committee staff, on the Agency budget and the Radios and

4. (Confidential - GLC) Left with Jay Sourwine, Senate Internal Security Subcommittee staff, the publication "Bibliography of Soviet Produced Publications Containing References to the RIS, 1964-1970" prepared by [REDACTED] Sourwine expressed much interest in this document and said he would like to give it a real close review. I told him we had thought it was an item which the Subcommittee may want to consider publishing.

5. (Unclassified - GLC) Picked up from the House Armed Services Committee copies of the Committee reports on the Marine Corps General bill and the Armed Services Procurement Authorization bill.

6. (Secret - GLC) At his request, met with George Murphy, Joint Committee on Atomic Energy staff, and briefed him on the situation with respect to recent developments in ICBM silo construction in the Soviet Union.
